IT QUIZ (V–VII)

“Think Smart... Click Smart... Quiz Smart...”

Puran Murti Global School is pleased to organize an **IT Quiz for students of Classes V to VII**. This engaging and knowledge-based activity is designed to enhance students’ **digital awareness, logical thinking, computer knowledge, problem-solving skills, and confidence**.

The quiz will provide students with an opportunity to test and expand their understanding of **Information Technology, computers, digital tools, and the ever-evolving world of technology** in an exciting and competitive environment.

Let Us Celebrate:

- Computer & IT Knowledge
- Logical Thinking & Problem-Solving
- Digital Awareness
- Quick Thinking & Accuracy
- Confidence & Team Spirit

Message for Students:

“Technology becomes powerful when knowledge guides it—learn, think, explore, and quiz your way to success!”

Our Commitment:

“To develop digitally aware and confident learners by encouraging curiosity, technological knowledge, logical reasoning, and responsible use of digital resources through engaging activities.”

Let us make this quiz an exciting learning experience as our young technology enthusiasts demonstrate their **knowledge, curiosity, quick thinking, and enthusiasm for the digital world**.
