SCIENCE QUIZ (VIII–X)

“Question with Curiosity... Explore with Knowledge... Discover with Science...”

Puran Murti Global School is pleased to organize a **Science Quiz for students of Classes VIII to X**. This engaging and knowledge-based activity is designed to enhance students’ **scientific awareness, logical reasoning, critical thinking, curiosity, and problem-solving skills**.

The quiz will provide students with an opportunity to test and expand their knowledge of **Physics, Chemistry, Biology, scientific discoveries, and everyday applications of science** in an exciting and competitive environment.

Let Us Celebrate:

- Scientific Knowledge & Awareness
- Curiosity & Critical Thinking
- Logical Reasoning & Problem-Solving
- Quick Thinking & Accuracy
- Confidence & Team Spirit

Message for Students:

“Science begins with curiosity—question, explore, discover, and let your knowledge lead the way.”

Our Commitment:

“To nurture scientifically curious and confident learners by encouraging exploration, logical thinking, knowledge sharing, and a deeper understanding of the world through engaging academic activities.”

Let us make this quiz an exciting learning experience as our young scientists demonstrate their **knowledge, curiosity, reasoning, confidence, and enthusiasm for scientific discovery**.
