GREEN DAY CELEBRATION (PPS)

"Go Green... Grow Green... Keep Our Planet Clean..."

Puran Murti Global School is delighted to celebrate **Green Day** with our little learners of **PPS**. The celebration aims to create awareness about the importance of nature, trees, and a healthy environment while making learning fun and engaging for young children.

The event will encourage students to explore the beauty of the color green through various activities, helping them develop environmental awareness, creativity, and observation skills.

Let Us Celebrate:

- Nature & Greenery
- Environmental Awareness
- Creativity & Fun Learning
- Healthy Habits & Clean Surroundings

Message for Students:

"Green is the color of life, growth, and nature. Let us love plants, care for our environment, and help make the Earth a greener place."

Our Commitment:

"To nurture young minds with values of environmental responsibility, creativity, and love for nature through joyful learning experiences."

Let us make this Green Day a vibrant and memorable celebration as our little stars dress in green, participate enthusiastically, and learn the importance of protecting our environment.
